## **\*\* PRESS RELEASE \*\***

Residents of Lower Salford Township, nearby neighbors and community members:

The Harleysville Community Fire Company and surrounding mutual aid departments were dispatched to the 300 block of Huckleberry Lane in Lower Salford Township at 08:34 on Thursday, April 4, 2019 for a reported single-family dwelling fire. Chief 89 arrived on the scene and had a heavy fire and smoke condition in the home. A 2<sup>nd</sup> alarm and 3 additional engines were brought to the scene to assist with manpower. The fire was safely placed under control by 09:06. The investigation into the cause and origin of today's fire is still underway by the Lower Salford Fire Marshal.

On Sunday, March 31, 2019, the fire company was also dispatched to another nearby home in the 300 block of Huckleberry Lane for a house fire. The investigation for that fire is in the final stages of completion and the Lower Salford Fire Marshal has stated that it does not appear to be suspicious in any way.

At this time, there is no apparent connection between the fire that occurred today (4/4/19) and the fire that occurred on Sunday (3/31/19). The Lower Salford Fire Marshal advises that there is no cause for any concern of the nearby neighbors and local community members for ongoing suspicion of fires occurring. Again, these two fires do not appear to be related in any way.

The fire company wishes to thank all of the mutual aid departments who assisted in the fire fight at both of these house fires. Any further statements on either of these fires would come directly from the Lower Salford Fire Marshal's office.

Sincerely,

Kevin Wasson
